Checking the Application Status in NexSys

Log into your MiLogin for Business Account. [MiLogin - Login \(michigan.gov\)](https://michigan.gov). Click on the NexSys link and agree to the terms and conditions.

Click on the **Searches** drop-down menu at the top of your screen, and then click Applications.

Choose the name of the application from the dropdown under My Application/Task, and then click **Search**. Enter the grant Fiscal Year to search for the current application.

Find the name of the application under the Document Number and Entity columns. Follow that row over to the Status Column to see the application status.

The screenshot shows a table with the following columns: Document Number, Entity, My Application/Tasks, and Status. The 'Status' column is highlighted with a red box. The first row of data shows 'TIRA-2024-2024-0000000000' in the Document Number column, 'Title I Regional Assistance' in the My Application/Tasks column, and 'Modifications In Progress' in the Status column.
