Creating your MiLogin for Business Account

Linking your existing MEIS Account to MiLogin &

Requesting Access to MDE Systems

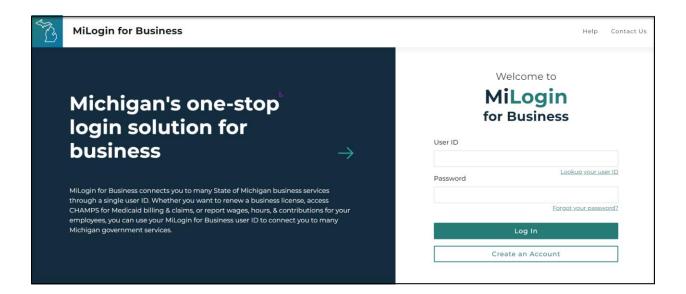

Creating your MiLogin for Business Account:

MiLogin is the State of Michigan's single sign on software that will allow users access to State of Michigan systems, to include: CEPI; MICIP; NexSys; etc.

Step one is to follow the link to MiLogin.

- Or visit: milogintp.michigan.gov

Using the link above, once you arrive at the MiLogin for Business page which will look as noted in the screen shot below.

Click: "Create an Account"

- MiLogin will then take you through several account set up and verification screens.
- Please create your MiLogin for Business Account using the contact information for the entity for which you work. This contact information is what will be referenced in MDE systems to send any system related emails or create contact lists.

PLEASE NOTE: At this point, you do not have access to any State of Michigan systems. Please continue through the remainder of this document to complete your access to NexSys.

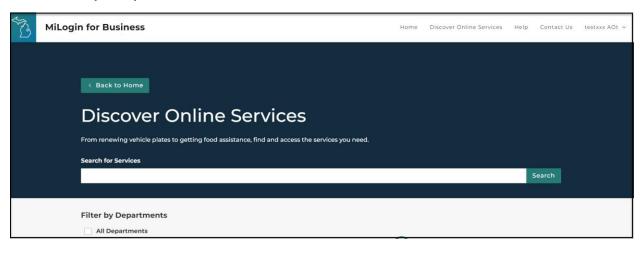

Linking your MEIS account to your MiLogin for Business account:

Go to your MiLogin homepage and click on "Discover Online Services".

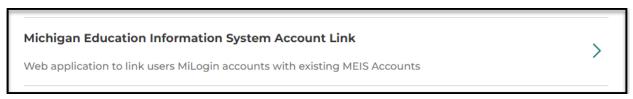

From the list of State of Michigan Departments select Michigan Department of Education (MDE).

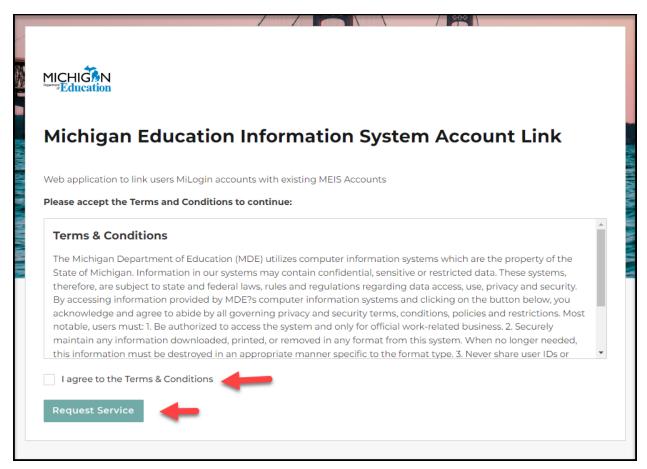

Once you have clicked on MDE, a list of available programs will be provided, select the Michigan Education Information System Account Link.

Michigan Department of Education (MDE)

You should then receive the next screen:

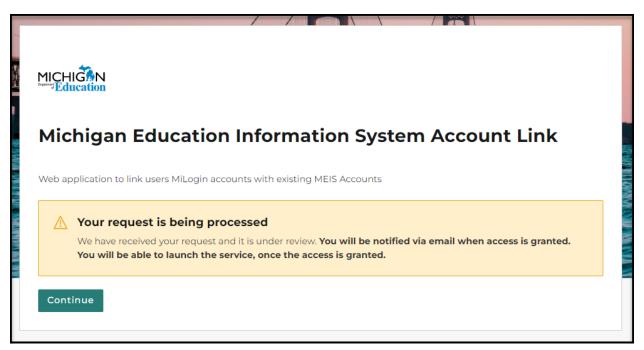

Review the Terms & Conditions.

Select the "I agree to the Terms & Conditions" radio button, then click "Request Service" button.

A successful submission will end in a Confirmation screen that looks similar to the screen shot below.

Click: "Continue"

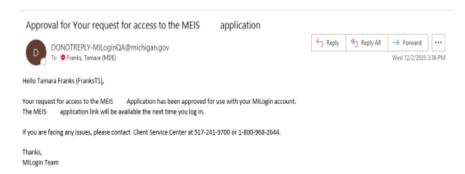

Logout of MiLogin by selecting the down arrow next to your name in the upper right-hand corner and select "Logout". Log back in to MiLogin. When you return to your MiLogin home screen you should see the new system added to your list of MDE systems selections.

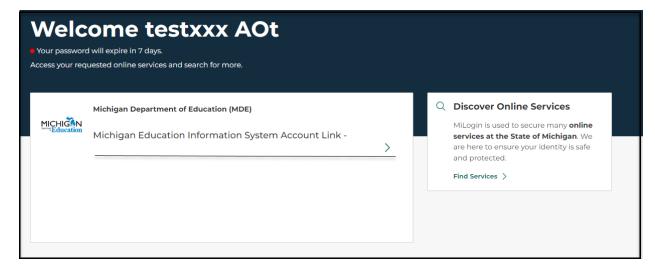

<u>Please Note:</u> MiLogin can react differently with different browsers. If you logged out and logged back in and do not see the MEIS account link option please close all browser windows and tabs before logging back in to MiLogin. If you continue to have difficulties please contact the XXXXXXXX

You should receive a system generated email informing you of your access to the MEIS system.

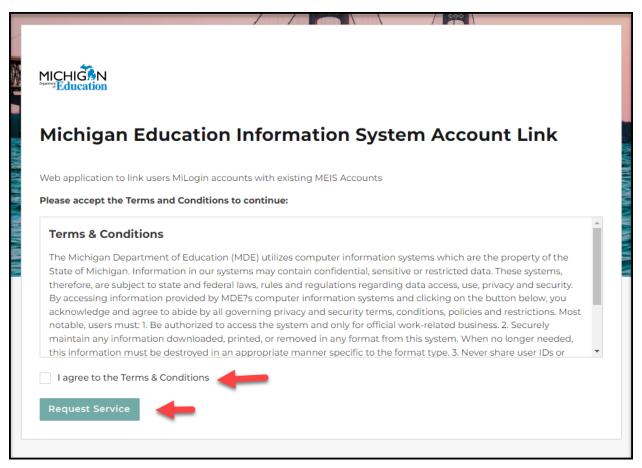

To complete linking your MiLogin account with your MEIS account, select the Michigan Education System Account link (sample screenshot below).

After you select the Michigan Education Information System (MEIS) Account Link you will receive the Terms & Conditions page.

Read the Terms & Conditions

Click: "I agree to the Terms & Conditions"

Click: "Request Service"

You will then be directed to the MEIS Account Link page.

On the MEIS Account Link page you will need to enter your MEIS account Login Name, your current MEIS password and check the system Agreement checkbox then select the "Link Account" button. Please keep in mind your MEIS Login and Password are the same as the Login and Password you use to access other MDE systems for example MEGS+ and the former Cash Management System (CMS).

PLEASE NOTE: If you do not enter the correct MEIS Login and Password after five consecutive tries you will be locked out for 20 minutes. If you are unsure of your MEIS password please visit, MEIS Login (state.mi.us)

For additional support with linking your MiLogin for Business Account to your MEIS account please contact the MDE:

Email: MDE-NexSys-Applications@Michigan.gov

Once you have successfully linked your accounts you will see the *Welcome* banner/page for your MEIS Account Link. The confirmation will note the MiLogin User Name linked to the MEIS account:

This process needs to be completed once for each unique MEIS number you use. If you linked an account and attempt to link the account again, the System will give you the following message noting the MiLogin User ID and MEIS Account:

If the MEIS account you are trying to link to has already been linked to a MiLogin account you will receive the following message.

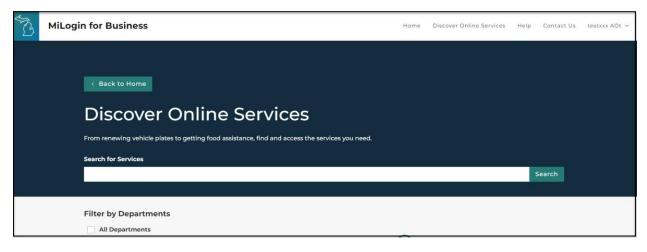

<u>Please Note:</u> If you have multiple MEIS accounts, you will need to create a new MiLogin to connect to each MEIS account you utilize by repeating the steps above. You cannot connect multiple MEIS accounts to one MiLogin account.

Requesting Access to MDE Systems:

Once you have linked your MiLogin and MEIS accounts, you can request access to any of the MDE systems that use MEIS as the login portal. From your MiLogin homepage click on "Discover Online Services".

You will be taken to the "Discover Online Services" screen. On this screen, you will need to select MDE from the list of Departments.

Select the MDE system you want to request access to from the list of available systems.

You will then work through the same screens and prompts that were required for requesting access to the MEIS Account Link.

This process is used to Request Access to any MDE system.

PLEASE NOTE! If you are requesting access to NexSys you must select NexSys from your MiLogin for Business Dashboard, physically clicking into the system for it to register you as a user. <u>Until you click into NexSys your user profile cannot be found to add you to any organization, whether as an authorized official or any lower security level.</u>
