

## How to Submit a Local School Board Training Reimbursement Request

### How to Navigate the NEXSYS Application

Part one of this guide focuses on **Local School Board Reimbursement Training Submissions**. Instructions are directed to users who already have MLogin/NexSys rights . In the Informational section, users can find a direct link to the MILogin/NexSys Website, which includes the application form to gain access to NexSys and general user guidance for the NexSys application.

**Part 2: Provides instruction for Modifying returned applications.**

#### **Important Information**

- Board Reimbursements have transitioned from GEMS/MARS to NexSys effective October 1, 2024.
- Courses approved by the MDE and provided by the Michigan Association of School Boards (MASB) can be viewed at [Training Reimbursement \(masb.org\)](https://www.masb.org).
- NexSys will automatically flag errors, including reimbursement amounts that exceed \$100 and reimbursement requests that occurred prior to the effective date of the authorizing legislation (October 1, 2021). NexSys will also flag any request for training that has not yet occurred.
- This guide is predicated on the understanding the user is registered with MILogin and has received access to NexSys.
- A general NexSys navigation guide can be found on the [NexSys website](#).
- Adding a new NexSys user, please access the NexSys website linked above. Scroll down to *NexSys Security Access Form*, and click the link, to complete the form as directed.
- Requests must be completed during the current Fiscal Year for approval (October 1 to September 30)
- Requests MUST include completion documentation for support. (Transcript, completion emails from MASB/MASA) Invoices or registration alone are not acceptable.

#### **Navigating the NexSys Dashboard**

- Using the “My Opportunities” box on the right side of the screen: Application)
  - Search for Local School Board Member Training Reimbursement
  - To open, click on the name of the application
  - Review the details of the pop-out box, and click proceed
  - The application is now in Progress

### Application Returned-Modifications are Required

This section walks users through the application pages and guide them through making modifications when an application is returned.

From the Dashboard screen, applications in progress can be found two ways.

1. Using the My Task box in the center of the screen on the left (scroll to find the application)
2. Using the Searches drop-down menu located in the blue ribbon on the top left of the screen.

- Recent Documents: allows a search by application number
- Applications: opens the Application Search
  - In the Search Criteria box, use the My Application/Task drop-down menu to find Local School Board Member Training Reimbursement
  - Once selected, click on the dark blue search button to open the list of applications that are connected to the district
  - The list will be at the bottom of the page-select the proper application needed to modify, and open it by clicking on the application number

Once the application is open, go to the Status Options tab at the bottom of the left ribbon and follow the process below to resubmit the request.

#### Status Options

- Select Modifications in Progress
- Proceed to Flagged Budget Items to see which courses/line items are flagged for changes

#### Budget Items

- Unallowable Flag: Go to top right of the screen and click the Delete button
- Modifications Flag: Review the comment and update the request based on the comments. Click SAVE at the top right of the screen
- Approved: This line is completed and locked for edits. No review needed
- Return to the Budget Summary tab
- Review changes and click save again to make sure all the boxes in the ribbon are checked as complete
- If an exclamation point appears in any boxes, go to that section to review the error
- Once all errors are corrected, go to Status Options and click Modifications Submitted
