## **10 Cents Per Meal Grant**

The 2019-2020 10 Cents Per Meal Grant application **is not yet available.** The reason is that the Michigan Department of Education must wait for the Governor to sign the final budget bill to begin any program planning. This bill language will determine the overall budget, eligible regions, and program dates. As soon as we know more, we will update all of you.

In the meantime, please save your local produce receipts and invoices if you are interested in the program. If you are not familiar with the 10 cents grant, this is a matching grant that can award up to \$0.10 for each meal served with produce that has been grown in Michigan. For information and success stories on the grant, visit <u>10 Cents A Meal</u>.<sup>i</sup> If you have questions regarding the grant, please contact Jaime Malnar at <u>malnarj1@michigan.gov</u> or 517-335-3792 or Liana Bennett at <u>bennettL4@michigan.gov</u> or 517-241-5349.

## **No Kid Hungry**

The No Kid Hungry Center for Best Practices provides the tools and resources needed to help elected officials and their staff, educators and community leaders achieve success in fighting childhood hunger. Sharing what's new, upcoming webinars, grant opportunities, and partner updates. <u>September 2019</u><sup>ii</sup>

## **NEW: Child Nutrition Recipe Box!**

# Team Nutrition's USDA standardized recipes will be moving to the Institute of Child Nutrition's Child Nutrition Recipe Box!

The Child Nutrition Recipe Box (CNRB) provides Child Nutrition program operators with recipes to prepare healthy and delicious meals that meet meal pattern requirements. These recipes are standardized to provide meal pattern crediting information for all meal pattern components and include recipes made with legumes, whole grains, and vegetables from the vegetable subgroups including dark green, red, and/or orange vegetables.

The Child Nutrition Recipe Box will be rolled out in multiple phases.

Phase One - Available September 16

On September 16, Child Nutrition programs will be able to access a growing collection of USDA Standardized Recipes on the CNRB website. Recipes will be organized by main entrées, vegetables, fruits, and grains, as well as alphabetically for users looking for a specific recipe.

Users will be able to download and print recipes as needed.

Phase Two - Available Spring 2020

The Child Nutrition Recipe Box will provide tools and resources to help program operators Navigate and implement standardized recipes. These resources will include:

- Search tools to find recipes using a variety of search filters, such as USDA Program, Cooking Equipment, Recipe Categories, and Cuisine, to help users identify recipes of interest to them;
- "Build My Cookbook" where users can save their favorite recipes to make a customized cookbook;
- Shopping list feature where users can create a list of groceries from the selected recipes'
  - ingredients; and
- Consumer-friendly features such as star ratings, recipe reviews, and options to share content on social media.

## **Upcoming Events/Deadlines**

#### **Application Due Date**

The Michigan Electronic Grants System Plus (MEGS+) Child Nutrition Programs (CNP): School Nutrition Programs (SNP) 2020 Application is now available. For the MEGS+ website for completing the SNP 2020 renewal/application, visit <u>MEGS+ Website.</u><sup>iv</sup>

Please note a MEGS+ CNP: SNP 2020 Application must be submitted and approved in order to submit claims for SY 2019 – 2020. Submit your application by Friday, September 20, 2019.

#### **USDA Foods Program**

School food authorities (SFAs) must complete the *Request for USDA Foods Delivery* portion of the SNP application within MEGS+ to participate in the USDA Foods Program for **School Year 2020-2021**. When completing the SNP application within the View/Edit screen, the *Request for USDA Foods Delivery* form will be found under Program Forms. The deadline to choose to participate in the USDA Foods Program is October 15, 2019. **The SFA consortium decision is then irrevocable for School Year 2020-2021**. The USDA Foods Consortia Services and Department of Defense (DoD) have two documents that might assist you with making your consortium choice. For a copy of these documents, contact the School Nutrition Programs office by phone 517-241-5374 or email <u>mdeschoolnutrition@michigan.gov</u>. As a friendly reminder, your SFA already selected its consortium choice for School Year 2019-2020 within the School Year 2018-2019 MEGS+ SNP application and food ordering for the upcoming school year has already begun. If you have questions, please contact Jaime Malnar at <u>MalnarJ1@michigan.gov</u> or 517-241-5348.

#### You are Invited to a Webinar!

Exhibit A Grains Tool to the Rescue! Wednesday, September 25, 2019 (2 – 3 pm EST)

Title: Exhibit A Grains Tool to the Rescue!

**Target Audience:** All Child Nutrition Program Operators, State Agency Staff, Food Industry, FNS National Office Staff, and Regional Office Staff

Team Nutrition is excited to demonstrate the Exhibit A Grains Tool, which is a new feature included with the Food Buying Guide for Child Nutrition Programs Interactive Web-Based Tool. The Exhibit A Grains Tool allows you to search for your grain product (as listed on Exhibit A) and enter in the serving size from the product label. The tool then helps you determine:

- 1) ounce equivalent (oz eq) grains or grains/bread serving(s) for the grain product, and
- 2) amount to serve to provide your desired grains contribution.

Team Nutrition will provide in-depth practice for using the grains tool as well as highlighting The Newly released training video. Participants will also get to experience the Exhibit A Grains Tool on the Mobile App. Program operators can calculate the grain contributions on-the-go.

#### You do not want to miss this webinar. Register today! TN-Webinar LINK

After registering, you will receive a confirmation email containing information about joining the webinar. If you are unable to attend the LIVE webinar, there will be a recording of the

webinar announced and posted a few weeks after the webinar's completion.

# **Question of the Week**

**Question:** Can households of employees on strike be approved for free or reduced-price school meal benefits? Should they be removed from the program when the strike is over?

**Answer:** The income eligibility guidelines for free and reduced-price school meals are based on annual income. While there is no prohibition on individual households with employees on strike applying for benefits during the school year, School Food Authorities (SFAs) should manage the application process in a manner which reflects each individual households' unique circumstances. Children of parents or guardians who experience a financial hardship mid-year may become Eligible for free and reduced-price meals at any point during the school year. During the strike period, these households may not have information on the duration of the strike or its ultimate impact on household income.

It is reasonable for SFAs to remind households that free or reduced-price eligibility is intended to reflect actual annual income. Strike benefits, unemployment compensation, and worker's compensation all count as reportable income. School districts should urge any households who are approved for free or reduced-price meals based on their reduced household income during a strike period to terminate their free/reduced price status should the economic hardship they had anticipated due to the strike be remedied by a return to work and/or restoration of pay for the strike period.
