**FISCAL YEAR 2020
CHILD AND ADULT CARE FOOD PROGRAM
OPERATIONAL MEMORANDUM #4**

TO: Child and Adult Care Food Program Institutions

FROM: Diane L. Golzynski, PhD, RD
Director, Office of Health and Nutrition Services

DATE: March 2, 2020

SUBJECT: National Child and Adult Care Food Program Week

Michigan Department of Education (MDE) has issued a press release announcing National Child and Adult Care Food Program (CACFP) Week, March 15-21, 2020.

MDE administers the CACFP and will celebrate and promote the CACFP during this week. This campaign is designed to raise awareness of how the United States Department of Agriculture's (USDA) CACFP works to combat hunger and bring healthy foods to the table for adults in day care and children in child care homes, centers, and in afterschool and summer feeding programs across the country.

For any questions regarding this memorandum, contact the Child and Adult Care Food Program at 517-241-5353.

Celebrate National Child and Adult Care Food Program Week, March 15-21

March 2, 2020

LANSING – The week of March 15-21 is National Child and Adult Care Food Program (CACFP) Week, and the Michigan Department of Education (MDE) asks that providers, educators, and students statewide join in celebrating the importance of healthy meals for children and adults in need.

Each year, more than 5,000 family and group adult and childcare homes, and 575 independent centers and sponsors of centers participate in the CACFP in Michigan. These facilities serve more than 9.7 million breakfasts, 11.4 million lunches, 16 million snacks, and 5.5 million suppers per year to children and adults in care centers, afterschool at-risk programs, and family care homes.

CACFP provides federal funds to non-residential child and adult care facilities to serve nutritious meals and snacks. CACFP plays a vital role in improving the quality of care by making it affordable for many families. The program's goal is to improve and maintain the health and nutritional status of participants in care, while promoting the development of good-eating habits.

Eligible child and adult care facilities include:

- Licensed childcare centers
- Head Start programs
- Great Start to Readiness Programs (GSRP)
- Public and Non-Public Schools
- After-school care programs
- Emergency shelters providing residential and food services to homeless children
- Family childcare homes, including relative-care providers
- Some private, for-profit childcare centers
- Adult day service programs
