This document provides an index of Justification Forms separated by ISD and the ISD's Member Districts. The index acts as a Table of Contents so you can easily navigate this PDF. To enable this feature, go to the "View" tab in your PDF viewer application menu bar and look for the option to show or enable the Bookmarks Panel. Once enabled, the Bookmarks panel should appear on the left side of the screen in the navigation pane. Some applications may require you to press the "Bookmarks" icon in the navigation panel to open the Bookmarks panel. Once the Bookmarks panel is open, click a district name to advance you to that district's justification form within the document. *We are a small rural district who accommodates students with many types of disabilities as we have no center based program. As a team, we try to accommodate parents who are from the community and want their child to be a part of that community and share in the same experiences and school they went to. Having students with modified programs means they also have to participate in state testing and because of that our team utilizes the flow chart to determine the most appropriate testing which at times is an alternate assessment. Our small populations means that at times two students taking an alternate test can put us over the 1% cap.*
