

School Nutrition Programs

Emergency Operating Costs

Reimbursement Information

The list is in alphabetical order, however, you can search using CTRL + F (hold down both the CTRL key and F key at the same time). A little search box will come up in the top right corner and you can search by your sponsor number or name.

If you also participate in the Child and Adult Care Food Program, you can look on the eligibility list for Child and Adult Care Food Programs to see if you're eligible in that program. These payments were calculated separately by program.

Below you will find an explanation for how to estimate your potential reimbursement amount.

To estimate potential reimbursement amount:

Month in 2019 - Month in 2020

- If the dollar amount is positive, then you multiply that amount by .55 to estimate your potential reimbursement for that month

EXAMPLE:

May 2019 reimbursement -- \$1,500

May 2020 reimbursement -- \$1,000

May 2019 – May 2020

$\$1,500 - \$1,000 = \$500$

$\$500 \times .55 = \275

Sponsor is *eligible* for \$275 May payment

- For March only, divide by 2 as during this month half of the month was business as usual and half was not

EXAMPLE:

March 2019 reimbursement -- \$5,000

March 2020 reimbursement -- \$1,800

March 2019 – March 2020

$\$5,000 - \$1,800 = \$3,200$

$\$3,200 \times .55 = \$1,760$

$\$1,760 / 2 = \880

Sponsor is *eligible* for \$880 March payment

- If the dollar amount is negative, then you are not eligible for payment that month because your organization received more reimbursement in 2020 than in 2019

School Nutrition Programs

Emergency Operating Costs

Reimbursement Information

EXAMPLE:

April 2019 reimbursement -- \$4,000

April 2020 reimbursement -- \$6,000

April 2019 – April 2020

$\$4,000 - \$6,000 = -\$2,000$

Sponsor is *ineligible* for April payment

- If your organization did not participate in 2019, then you look at the January and February 2020 average
 - To do this, January 2020 reimbursement + February 2020 reimbursement. Divide this amount by 2 to get the January/February average

EXAMPLE:

January 2020 reimbursement -- \$2,500

February 2020 reimbursement -- \$2,000

January 2020 + February 2020 = \$4,500

January/February 2020 Average = $\$4,500/2 = \$2,250$

June 2019 reimbursement – Did not participate

January/February 2020 Average -- \$2,250

June 2020 reimbursement -- \$500

January/February 2020 Average – June 2020

$\$2,250 - \$500 = \$1,750$

$\$1,750 \times .55 = \962.50

Sponsor is *eligible* for \$962.50 June payment
