## **School(s)**

## **Grade(s) of Implementation**

Pre-Kindergarten through Third Grade

## **Best Practice with Description**

Michael Heggerty Phonemic Awareness: program that focuses solely on PA skills. Students are engaged in a daily lesson that focus on 8 PA skills that grow as their proficiency in phonemic awareness develops. This is often an area of literacy that is "skipped" and not intentionally taught.

## **Metric/Assessment used to Determine Growth**

Michigan Literacy Progress Profile (MLPP)

Acadience Diagnostic

Heggerty Assessment

## **Evidence of Improved Outcomes**

Students are able to fluidly move into phonics development and are able to identify sounds and patterns within words with a strong phonemic awareness foundation.
