Pre-Kindergarten through Third Grade

Best Practice with Description

Instructional Coaching: Partnership coaching with teachers setting a data-based coaching goal, planning lessons, and co-teaching students in both small and whole groups.

Metric/Assessment used to Determine Growth

Northwest Evaluation Assessment (NWEA)
Development Reading Assessment (DRA) Second and Third Additions

Evidence of Improved Outcomes

Evidence from students participating in small group instruction has consistently been more than a year's growth for students for each year of participation. Minutes of small groups are tracked through Mi-STAR and growth of students is analyzed based on range of service minutes.
