

# EXPLORE

PROGRAMS FOR GRADES 6-12

## GOALS

- **Introduce** students to educational strategies, systems and professions
- **Support** teachers with free curricular resources and professional learning
- **Offer** flexible instructional delivery models
- **Enhance** context-specific or "Grow Your Own" teacher recruitment
- **Reduce** barriers to higher education and educator preparation
- **Promote** positive messaging about teachers and the teaching profession

**Tomorrow's teachers  
take root in today's  
classrooms**

**Future Proud**  
**Michigan**  
**Educator**

# EXPLORE RESOURCES

## PLANNING

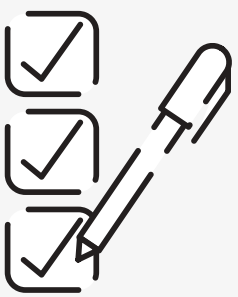

- Detailed program models
- Course overview and curriculum map
- Professional learning modules

## INSTRUCTION

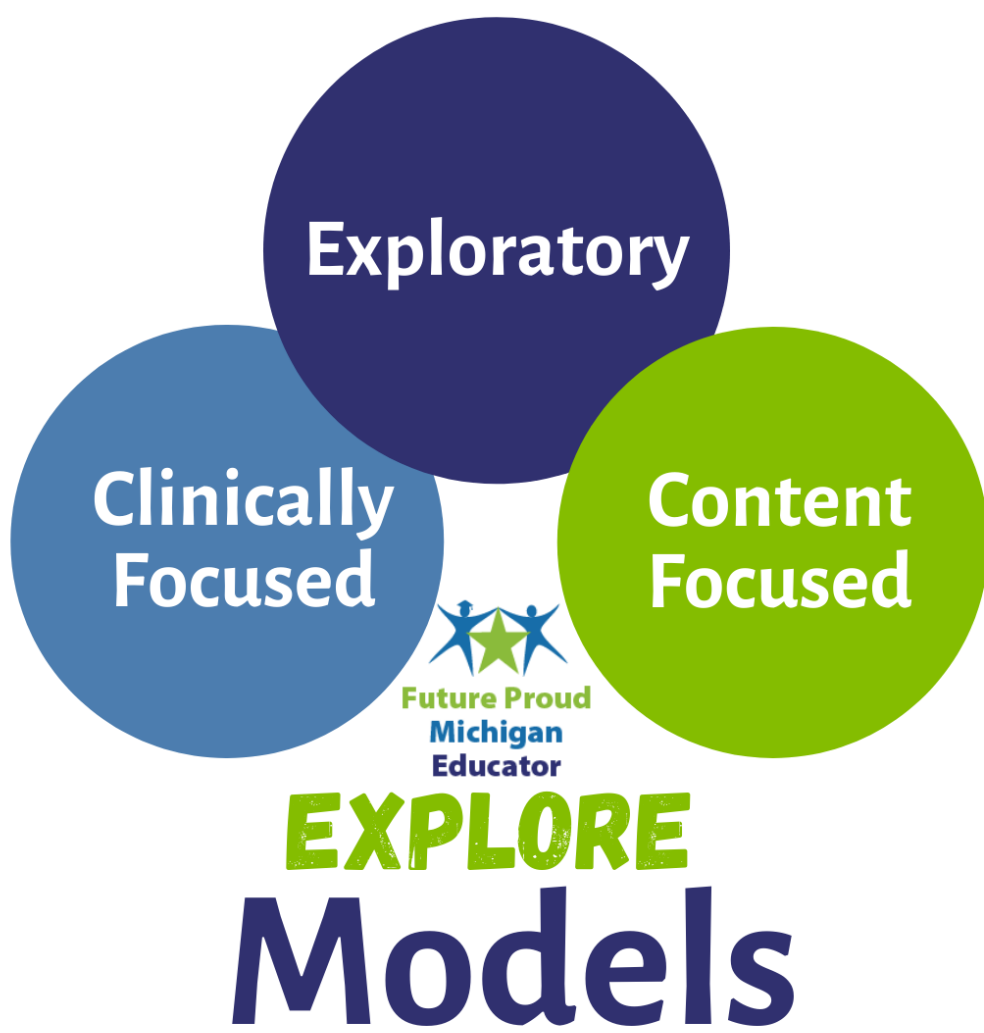

- Student learning outcomes
- Essential questions
- Lessons materials
- Virtual Modules
- Suggested assessments

## ADMINISTRATION

- Course staffing guidance
- Student recruitment ideas
- Course description and syllabus for board approval
- Pupil accounting assurances

Choose one, or consider the ways in which models could be combined, stacked or scaffolded in your local area

## **EXPLORATORY**

Intro to Teaching  
Grow Your Own  
Targeted  
College/University Partnership

## **CLINICALLY FOCUSED**

Virtual  
Out of School Time  
Peer-to-Peer  
Flipped

## **CONTENT FOCUSED**

Early Core Courses (6-10)  
Late Core Courses (11-12)
