

Introducing the

MICHIGAN TEACHER APPRECIATION VIDEO PROJECT

The Michigan Department of Education wants to provide students the opportunity to say positive things about their teachers, so they know they're appreciated.

We'll feature the videos on MDE platforms during May for Teacher Appreciation Month!

Help students submit their videos to us!

HOW TO RECORD VIDEOS

- Take the video on a video camera or cell phone, but make sure the **video is clear** and the **student can be heard**.
- Record something **SHORT**. **15 to 30 seconds is just right**.
- Record something **POSITIVE**. Remember to smile!
- Mention something **SPECIFIC**. What does the teacher do that your child appreciates?
- Your child should include their **FIRST NAME** and their **GRADE**.
- Clearly state the teacher's **LAST NAME** and the **SCHOOL NAME**.
- It's OK to have multiple students in the video.
- It's great to have family members in the video too!

WHAT TO SAY

Most importantly, **BE CREATIVE** and **HAVE FUN!**

Besides the **child's first name, grade, school,** and the **teacher's name,** encourage your child to say whatever **positive messages** come to mind.

If you'd like some prompts, try these!

I like how [TEACHER NAME] teaches because...

I appreciate [TEACHER NAME] because...

[TEACHER NAME]'s class is great because...

Thank you [TEACHER NAME] for being my teacher!

HOW TO SUBMIT VIDEOS

- Videos must be in **.MP4** or **.MOV** format. Most iPhones, Android phones, or video cameras will work just fine.
- When you are ready to send in the video, **use the link or QR code below:**
