

## 2024-2025 Application Budget Recommendations for Returning Grantees

The 2024-2025 grant application for 10 Cents a Meal for Michigan’s Kids and Farms will be competitive due to limited grant funds. Our aim is to award the grant to as many applicants as possible, however grant awards may be smaller than they have been in the past.

Grantees are encouraged to request a grant award that can be reasonably spent between October 2024 and September 2025. Failure to spend most of your grant award by the end of the program year may decrease the likelihood of receiving a future grant award.

Returning grantees may use this budget recommendation list to guide their choice of an appropriate budget amount. The suggested budget amounts in this document were calculated based on grantees’ expenditures during the 2023-2024 program year, as of July 2024. If you were not up-to-date on your purchase submissions by mid-July 2024, then this estimate may not be accurate for you.

You are **not required** to use the suggested budget amount, and there is no guarantee that you will receive the entire amount requested. In your application, you may still request any award amount up to your maximum that you feel is appropriate for your program. Contact [MDE-FarmToProgram@michigan.gov](mailto:MDE-FarmToProgram@michigan.gov) with any questions you have about your 2024-2025 grant budget.
