DoD Fresh Produce Services By Consortia For School Year 2026-2027

*	SPARC	GLC	MOR
DoD Ordering Contact:	Dani Eggers-McClure, Sysco Phone: 616-373-0095 dani.eggersmcclure@sysco.com	Kate Chowning, Gordon Food Service Phone: 616 717-4955 kate.chowning@gfs.com	Jacki Van Eerden, Van Eerden Phone: 616-291-5172 jackive@vaneerden.com
Consortia Leads:	Lori Adkins – lori@pcg-pro.com Allison Serr - Serr-Allison@aramark.com	Karen Watson - glc_administrator@hpsgpo.com Nancy LaFave - nlafave@eskymos.com	Charles Wolford - charles@pcg-pro.com Austin Brown - austin@pcg-pro.com
Program Specifics:	Sysco staff uses past ordering trends to forecast the needs of SPARC members for items that hold well. SPARC members may place orders accordingly. We ask SPARC members to preorder any DoD items that are not stocked two weeks in advance through their school specialist. This ensures items are fresh when you receive them. *Items that need to be preordered (some items are not available for the entire school year). $3.00/case delivery fee.	GLC has carefully selected the most popular produce items based on past usage, with a particular focus on products that offer the longest shelf life. This approach is designed to ensure the freshness of the produce upon arrival and provide districts with ample time to effectively utilize their orders. Once the produce has been delivered to GFS, GLC members will be able to place their orders as needed. Please note that GFS does not accept pre-orders for DoD produce, nor is there an auto-ship program in place. Each order will need to be placed individually. This on-demand ordering system eliminates the need for pre-ordering. GLC will be working closely with Gordon Food Service to continuously review and update the available produce selection throughout the year to keep a robust variety of offerings to their members. The delivery cost for these items will be $2.99/case.	$3.00 per case delivery fee Items to change based on the domestic availability and the values per case. Michigan grown is a focus.
DoD Produce Slotted:	Apples (2-3 varieties Michigan grown, when available)	Apples (2-3 varities Michigan grown, when available)	Apples (2-3 varieties Michigan grown, when available)
