

Special Education Advisory Committee (SEAC)

The *Individuals with Disabilities Education Act* (IDEA) requires each state to maintain a [state advisory panel](#) for the purpose of providing policy guidance related to special education and related services for children with disabilities. This panel is referred to as the Special Education Advisory Committee (SEAC) and advises the [State Board of Education](#) and the [Michigan Department of Education](#) on policies affecting students eligible for special education services in Michigan.

SEAC's Mission

The mission of the SEAC is to promote positive outcomes for all Michigan students with disabilities.

SEAC Membership

SEAC accepts nominations for membership made by the State Board of Education, organizations, and individuals.

Members serve a three-year term and come from diverse backgrounds representing all categories of students with disabilities, parents, stakeholder groups, organizations, and agencies with an interest in students with disabilities from all over Michigan.

[SEAC membership](#) rotates to allow any interested person to apply for an opening. Openings for SEAC are posted on the [SEAC website](#) as they occur.
