

Medicaid School Services Program (SSP) Regions

Michigan Department of Education Office of Special Education
May 8, 2023

There are ten regions that meet periodically to support Medicaid school services programs. Each region meets to discuss their specific needs and may invite state representatives to give guidance.

SSP Intermediate School District (ISD) Contact Information

If you have any questions regarding Medicaid SSP, contact the Michigan Department of Education Medicaid Consultant at MDE-OSE@michigan.gov.
