Efforts to Increase the Percentage of Adults with a Post-Secondary Credential

Focus on the Student

- Career and Technical Education with the implementation of 10 newly recognized post-secondary credentials along with grants that support the Career Pathway Program of study
- Early Middle College that blends high school and post-secondary coursework
- Advanced Placement classes and College Level Examination Programs (CLEP) that allows student to gain college credits
- Student Outcome Resources that help to ensure coordinated transition services are available for students

Efforts to Increase the Percentage of Adults with a Post-Secondary Credential

Focus on the Educator

- Expansion of the pipeline of credentialed educators through Career and Technical Education programs
- Innovative programming to expedite the teacher certification process

MDE also partners with the Michigan Department of Labor and Economic Opportunity (LEO) in supporting the Governor's Sixty by 30 initiative to increase the number of adults with a skill certificate or college degree to 60% by 2030.
