

COVID-19 VACCINE REDISTRIBUTION

Facilities must submit a [redistribution form](#) when doses are transferred or moved from one facility storage unit location to another.

Doses may only be transferred to facilities:

- Enrolled in the [COVID-19 Vaccination Program](#) and
- Have a MCIR site ID.

Michigan.gov/COVIDvaccine

Moving

doses between storage locations with different MCIR IDs, even within the same facility or health system.

Distributing

doses to another facility or health system with a different MCIR ID to store and administer.

Administering

doses at an on-site or off-site location, but not storing doses.
