Revised October 30, 2024,
under authority of the Older
Michiganians Act of 1981.

Michigan's 16 area agencies on aging (AAAs) are regional planning, advocacy and administrative agencies designated by the Michigan Commission on Services to the Aging. A board of directors made up of local community members governs each AAA. The Michigan Department of Health and Human Services, Behavioral and Physical Health and Aging Services Administration, Bureau of Aging, Community Living, and Supports (ACLS Bureau), contracts with AAAs to plan and provide needed services to seniors in specified geographic regions of the state. AAAs arrange for the delivery of services through community agencies. For more information about services to seniors, please contact the ACLS Bureau.
