WARNING LABELS: Do Not Adjust Refrigerator Controls

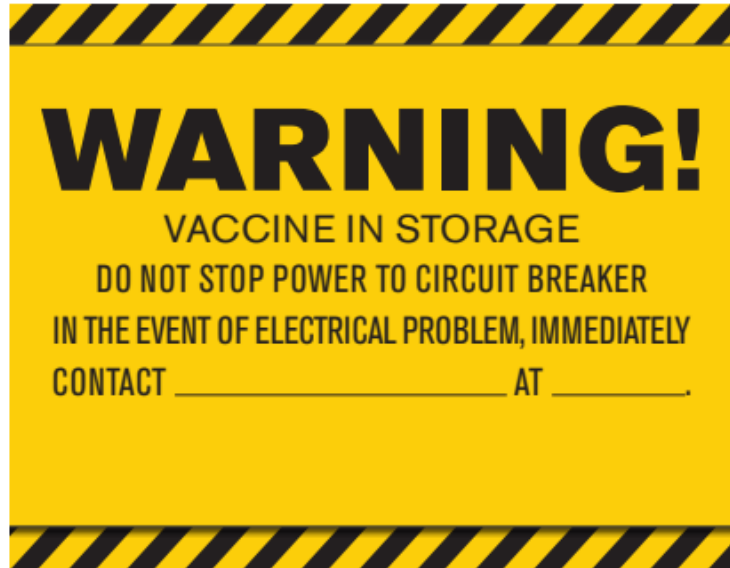

WARNING LABELS: Do Not Adjust Freezer Controls

A warning label with a blue background and black and white diagonal stripes at the top and bottom. On the left, there is a red octagonal stop sign with the word "STOP" in white. Below it is a circular icon of a freezer temperature dial with a red diagonal line through it. To the right of the stop sign, the text reads: "Do **NOT** adjust **FREEZER** temperature controls!". Below this, it says "Notify" followed by a white rectangular box with a horizontal line and the text "(insert name/phone number)" below it. The final line of text is "if adjustment is necessary."

A warning label with a blue background and black and white diagonal stripes at the top and bottom. On the left, there is a red octagonal stop sign with the word "ALTO" in white. Below it is a circular icon of a freezer temperature dial with a red diagonal line through it. To the right of the stop sign, the text reads: "¡ **NO** cambie la temperatura del **CONGELATOR!**". Below this, it says "Comuníquese con" followed by a white rectangular box with a horizontal line and the text "(inserte nombre y número de teléfono aquí)" below it. The final line of text is "si hay necesidad de cambiar la temperatura."
