

Your Partner In  
**HEALTH**

**As a Patient Centered Medical Home, Alcona Health Center uses a team approach to providing healthcare. Your healthcare team includes your primary care provider, other medical staff, those that support you and most importantly - YOU!**

### **Your Role as the Patient**

- Be an active team player.
- Ask questions.
- Keep appointments.
- Talk openly with your team and discuss important health issues.
- Follow the care plan you and your healthcare team have talked about.
- Call us first if you are ill or have a health concern
- If you do see another healthcare provider, be sure to let us know.

It is important that your team knows about any medication changes or tests they have ordered.

### **Our Role as Your Healthcare Partner**

- Listen to your concerns.
- Help answer your health questions.
- Encourage you to play an active part in your own healthcare.
- Help you set goals and make a care plan that is right for you.
- Help manage your health and coordinate your care.
