

Family Center for Children and Youth with Special Health Care Needs

Parent Connect Call

Conversations with parents of children with special needs!

Charting the LifeCourse!

LifeCourse Ambassador, Aleisha Leavitt, will be explaining the framework with parents that was developed to help individuals and families of all abilities, and at any age or stage of life develop a vision for a good life. In addition, think about what they need to know and do, identify how to find or develop supports, and discover what it takes to live the lives they want to live.

Date – Wednesday, April 13, 2022, at 11:00am EST.
