Dear LHD Colleagues,

The Family Center is excited to announce that we are extending the Camp Scholarship Application deadline to May 31, 2022. The Family Center would love to see more youth be awarded a Camp Scholarship. Please continue to share this great opportunity with families. Camps scholarships are not just limited to face to face; virtual camps are considered as well.

The camp scholarship application is attached to this email.

Feel free to reach out to the Family Center at 800-359-3722 for any questions.

Thank you,
