Dear LHD Colleagues,

The Family Center is excited to offer a Free Virtual Saturday Parent Mentor Training on Saturday, February 25, 2023, from 9:00 am to 3:30 pm EST.

In acknowledgment of Rare Diagnosis Awareness month, we are providing a training for parents who have a child with a rare diagnosis. This training is open to all Michigan families who have a child with a rare medical, physical, developmental, behavioral, or emotional condition. When a child’s diagnosis is rare, parents often experience more isolation, less information, and a lack of community.

Attached is the flyer and the link to register on Eventbrite is:
