

Family Center for Children and Youth with Special Health Care Needs
Virtual Parent Mentor Training
Rare Diagnosis Specific

In acknowledgment of Rare Diagnosis Awareness month, we are providing a training for parents who have a child with a rare diagnosis. This training is open to all **Michigan** families who have a child with a **rare** medical, physical, developmental, behavioral, or emotional condition. When a child's diagnosis is rare, parents often experience more isolation, less information, and a lack of community.

- Does your child have a rare diagnosis?
- Would you like to be a listening ear or share resources and experiences with parents looking for support with their child's rare diagnosis?

Please join us for an opportunity to become a trained Parent Mentor!

Dates : Saturday, February 25, 2023

Times: 9:00a.m. - 3:30p.m.

All participants will receive: ***\$50 Gift Card *Family Center Notebook *Medical Care Binder**

You must attend all days to receive gift card
