

Family Center for Children and Youth with Special Health Care Needs

Parent Connect Call

Conversations with parents of children with special needs!

Asthma 101

Asthma is a serious chronic disease of the lungs that is caused by swelling (inflammation) in the airways. There is no cure for asthma, but it can be prevented and controlled with proper care. People with asthma can live normal, active lives. Join us as we welcome Karla

Stoermer-Grossman as she speaks on Asthma 101.

There will be a Q & A at the end of the presentation.

Wednesday, June 14, 2023, from 11:00 am- 12:00 pm EST.
