

CSHCS ALERT #4-2023 - Clarification on Electronic Signatures

Wed 3/22/2023 6:21 AM

Dear Colleagues,

The CSHCS program within MDHHS is now accepting electronic signatures on ALL its forms.

A valid electronic signature could be the subject's typed name, or it could even be as simple as a check mark or an "X" or any other symbol in a box on the form. Any method is valid provided that the mark or symbol is "logically associated" with the individual making that mark or authorized by an individual to be the legally binding equivalent of the individual's handwritten signature.

Please let Craig know if you have any questions.

Best!
