Dear Colleagues,

Attached please find the L-letter announcing manual pricing for IEM related formulas that fall under B4155. It includes an attachment of the brands/formulas that will receive manual pricing. Note: all other formulas (not specific to IEM) will continue to receive the current reimbursement rate. As a side note, the IEM formulas that fall under B4157/B4162 are still covered, require manual pricing and PA.
