Workshop #1: Parent Voice and the Leadership Continuum

October 26, 2023 12 noon to 1 pm

Building strong parent leaders is a process. This workshop will focus on the journey of parent leadership. Come participate in an interactive discussion as we explore the impact parents can have when they are consulted, involved, and working with system partners.

Join *Parent Leadership in State Government*, *Michigan Family to Family* and the *Family Center for Children and Youth with Special Health Care Needs* for the first workshop in our online educational leadership series.

This series is designed to support the development and engagement of ALL emerging Family Leaders in Michigan to work toward meaningful parent leadership in our state. These one-hour virtual learning sessions are free and open to any parent with an interest in developing their leadership skills.
