Dear LHD Colleagues,

For parents and children, haircuts and dental appointments can be pretty stressful. For some kids, these experiences can be terrifying. Many parents are looking for ways to help their children have good experiences with their dentist, doctors, and for haircuts.

Join us on Wednesday, January 17, 2024, from 4:00 pm to 5:00 pm EST to talk with a panel of parents who have children with various diagnoses who have found creative ways to help their children navigate these challenges and more.

There will also be time for participants to share their own ways they have helped their children handle everyday experiences.
