Dear Colleagues,

This alert impacts the mileage reimbursement rate for Children’s Special Health Care Services (CSHCS) Non-Emergency Medical Transportation Assistance (NEMT).

Effective January 1, 2024, the CSHCS mileage reimbursement rate is changing from \$.655 to \$.0.67 per mile. This is consistent with the Medicaid mileage reimbursement rate effective January 1, 2024. We ask that the LHD’s inform families of the updated mileage rate increase when you authorize In-state or Out of State NEMT reimbursement.

The chart below will be updated on the CSHCS website to reflect the change.
