

Family Center for Children and Youth with Special Health Care Needs

Professional Connect Call

The Family Center for Children and Youth with Special Health Care Needs (Family Center) is the parent-directed section within Children’s Special Health Care Services (CSHCS) and the Michigan Department of Health and Human Services (MDHHS). The Family Center provides support, connections, and resources to Michigan families of children and youth with special health care needs while promoting family/professional partnerships at all levels.

Join Lisa Huckleberry from the Family Center as she provides a brief history of the Family Center, who we serve, the benefits and programs offered, how you can share this information with the families you serve and answer any questions you may have.

**Date – Thursday, September 21, 2023, from 3:00 pm – 4:00 pm EST.
