Beginning 7/23/2024 there is a change in who to contact for website updates and SharePoint questions/updates. Kyle Webster will be the primary contact for updates to the website. The best way to send him updates or ask questions is by email at websterk@michigan.gov. Danielle Pitchford will be the primary contact for SharePoint questions and update requests. The best way to submit these to her is through email at pitchfordd@michigan.gov.

If you have questions regarding this transition, please feel free to let me know.

Thank you,
Terra Depew
