

## **CSHCS INFO #12-2024 - CSHCS Age 26 expansion news story**

Tue 02/20/2024 8:12 AM

Hello LHD Colleagues,

As you know, we began enrolling clients on January 2, 2024 that were newly eligible for CSHCS due to the expansion to age 26. As of February 16, we have over 1500 clients enrolled as a result of this expansion.

I recognize that this age expansion has led to an increase in the volume of CSHCS work for local health departments. Thank you for all that you have done and continue to do to support clients and their families obtain the benefits of CSHCS enrollment. Your work is incredibly impactful, and I hope you all understand how important your work is.

Here's the link to the NPR/Michigan Public (formerly Michigan Public Radio) story on the CSHCS age expansion, from February 13, 2024. Sharing as an FYI.
