

## **CSHCS INFO #18-2024 - New DMP Document Title**

Wed 03/27/2024 7:16 AM

Dear LHD Colleagues,

We have a new document title, "Proof of Income Documents" that should be used when submitting tax information for a client/family that has been selected for an income audit.

The new title is found in the Application Financial document type.

Attached is the updated DMP Document Type/Title spreadsheet reflecting the new document title.

Please let me know if you have any questions!
