

Navigating Healthcare Training for Parents of Children with Epilepsy

Tuesday May 14 & Wednesday May 15, 2024
5:00 pm - 8:30 pm on BOTH days

This interactive medical advocacy training was created to provide parents with information, tools, and resources to better navigate the healthcare system for their child with epilepsy (seizure disorder).

Topics include:

- Navigating a new diagnosis
- Where to find reliable information and resources
- How to prepare for a successful healthcare visit
- Improving communication and building partnerships with healthcare providers
- Becoming an effective advocate
- Helping your child be active in their own care
- Self-care and peer support

Free to attend, registration required.
