

PARENT AND PROFESSIONAL CONNECT CALL

Presentation on:

Conference Scholarships

Date: January 31, 2024

Time: 12:00 pm to 1:00 pm

Conferences are a great way for parents to learn more about their child's diagnosis, new research, and up-to-date information. Sometimes for rare diagnoses, it is the first-time parents/youth are meeting people who they feel understand their diagnosis. Conferences can help parents and youth find community and feel empowered!

The Family Center offers scholarships for Michigan parents with children (birth to 26) who have, or are at increased risk for physical, developmental, behavioral, or emotional challenges to attend a conference related to their child's special need/diagnosis. Youth (ages 14-26) can attend a conference related to their diagnosis with a parent or on their own.

Join us to learn more about Conference Scholarships and how to apply!
