Dear Tribal Chair and Health Director:

RE: Reimbursement of Hearing Aid Dispensing Services

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment (SPA) request to the Centers for Medicare & Medicaid Services (CMS).

The purpose of the SPA is to clarify the reimbursement methodology for covered hearing aid services and increase the reimbursement rate for hearing aid dispensing fees and follow up visits. Rates are calculated using other State Medicaid fee screens and providers' charges as guidelines or reference in determining the maximum fee screen for individual services. The anticipated effective date of this SPA is January 1, 2023. MDHHS expects these rate changes to have a positive impact on Native American beneficiaries by improving access to hearing aid services.

There is no public hearing scheduled for this SPA. Input regarding this Amendment is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-512-4146, or via email at Elliott-EganL@michigan.gov. **Please provide all input by December 12, 2022.**

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss the SPA, according to the tribes' preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.
