Dear Tribal Chair and Health Director:

RE: Michigan Medicaid Modification of the Qualifying Visit Definition within the Medicaid State Plan for Indian Health Centers

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment (SPA) request to the Centers for Medicare & Medicaid Services (CMS).

The purpose of this SPA is to update the Medicaid State Plan by modifying the definition of a qualifying visit for Indian Health Centers, which will allow for payment of the All-Inclusive Rate (AIR) for qualifying audio-only telemedicine visits. MDHHS expects this change to have a positive impact on Native American beneficiaries by increasing access to services and paying at parity across visits. The anticipated effective date of this SPA is one day after the end of the federal Public Health Emergency.

There is no public hearing scheduled for this SPA. Input regarding this SPA is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-512-4146, or via email at Elliott-EganL@michigan.gov. **Please provide all input by February 25, 2023.**

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss the Amendment, according to the tribes' preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.
