Dear Tribal Chair and Health Director:

**RE:** Coverage of Out-of-State Former Foster Care

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment (SPA) request to the Centers for Medicare & Medicaid Services (CMS).

This SPA will allow any individual who aged out of foster care at the age of 18 in any state on or after January 1, 2023 to be eligible for the former foster care group in Michigan as required under Section 1002(a) of the SUPPORT Act. If an individual aged out of foster care at the age of 18 before January 1, 2023, then they must have aged out of foster care in the State of Michigan to be eligible for the former foster care group. This change is expected to have a positive impact on tribal members as it will increase access to Medicaid coverage for former foster youths. The anticipated effective date of this SPA is January 1, 2023.

There is no public hearing scheduled for this SPA. Input regarding this SPA is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-512-4146, or via email at [Elliott-EganL@michigan.gov](mailto:Elliott-EganL@michigan.gov). **Please provide all input by March 13, 2023.**

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss the SPA, according to the tribes' preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.
