Dear Tribal Chair and Health Director:

RE: Michigan Department of Health and Human Services (MDHHS) Temporary Extension to the Disaster Relief Policies for COVID-19 Public Health Emergency (PHE) Specific to Rate Increases to Incontinence Volume Purchase Contract and Non-Sterile Gloves

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment (SPA) request to the Centers for Medicare & Medicaid Services (CMS) to temporarily extend disaster relief COVID-19 Public Health Emergency (PHE) policies specific to rate increases to the incontinence volume purchase contract and to non-sterile gloves currently authorized in DR SPAs 22-0010 and 20-0012.

The purpose of the SPA request is to obtain the authority to utilize temporary flexibilities after the COVID-19 PHE ends. Global marketplace costs to incontinence products and non-sterile gloves have continued to expand impacting the volume purchase contractor's and medical supply providers' ability to secure these products at pre-pandemic Medicaid reimbursement rates. Continuation of these rate increases will be sufficient to defray the impact of global marketplace costs yet avoid potential access issues to these products.

The approval by CMS for these temporary flexibilities will be effective the day after the end of the PHE (May 12, 2023) until September 30, 2024. MDHHS expects these changes to increase access to incontinence products and non-sterile gloves for Native American beneficiaries.

There is no public hearing scheduled for this SPA. Input regarding this SPA is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-512-4146, or via email at Elliott-EganL@michigan.gov. **Please provide all input by April 28, 2023.**

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss the SPA, according to the tribes' preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.
