Dear Tribal Chair and Health Director:

RE: Michigan Department of Health and Human Services (MDHHS) Temporary Extension to the Disaster Relief Policies for COVID-19 Public Health Emergency (PHE) Specific to Care and Recovery Centers (CRC) Payments

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment (SPA) request to the Centers for Medicare & Medicaid Services (CMS) to temporarily extend disaster relief COVID-19 Public Health Emergency (PHE) policies specific to Care and Recovery Center (CRC) payments currently authorized in DR SPA 21-0001.

The purpose of the SPA request is to obtain the authority to temporarily continue enhanced payments to CRCs after the COVID-19 PHE ends. CRCs were established under Michigan Public Act 231 of 2020 to provide care to individuals who have tested positive for coronavirus under transmission-based precautions within the guidelines and best practices from Centers for Disease Control and Prevention (CDC).

The approval by CMS for these temporary flexibilities will be effective the day after the end of the PHE (May 12, 2023) until May 11, 2024. MDHHS expects continuation of these payments would benefit Native American beneficiaries who test positive for coronavirus and need additional post-acute care.

There is no public hearing scheduled for this SPA. Input regarding this SPA is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-512-4146, or via email at Elliott-EganL@michigan.gov. **Please provide all input by May 8, 2023.**

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss the SPA, according to the tribes' preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.
