Dear Tribal Chair and Health Director:

**RE:** Wraparound Services for Children and Adolescents under 21 Years of Age

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment (SPA) request to the Centers for Medicare & Medicaid Services (CMS).

The purpose of this request is to clarify and provide detail on current Wraparound Services for Children and Adolescents as a State Plan Early and Periodic Screening, Diagnosis and Treatment (EPSDT) service when delivered to children under 21 years of age.

MDHHS expects there will be no impact on Native American beneficiaries. The anticipated effective date of this SPA is October 1, 2023.

There is no public hearing scheduled for this SPA. Input regarding this SPA is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-512-4146, or via email at [Elliott-EganL@michigan.gov](mailto:Elliott-EganL@michigan.gov). **Please provide all input by December 11, 2023.**

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss the Amendment, according to the tribes' preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.
