Dear Tribal Chair and Health Director:

RE: Notice of Intent to Submit a State Plan Amendment (SPA) Request to Increase Community Transition Services (CTS) 1915(i) Targeted Case Management Rate

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit State Plan Amendment (SPA) request to the Centers for Medicare & Medicaid Services (CMS).

The purpose of the request is to update the Medicaid State Plan to increase the rate for CTS 1915(i) Targeted Case Management to \$25 per 15-minute unit, effective November 1, 2023. MDHHS expects this new rate to expand transition navigator services that will increase access to services for Native American beneficiaries.

There is no public hearing scheduled for this SPA. Input regarding this SPA is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-512-4146, or via email at Elliott-EganL@michigan.gov. **Please provide all input by December 14, 2023.**

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss the SPA, according to the tribes' preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.
