Dear Provider:

RE: Direct Care Worker Wage Increase

Pursuant to Public Act 166 of 2022, the Michigan Department of Health and Human Services (MDHHS) will implement a wage increase for direct care workers, to be included on an ongoing basis. This applies to the MDHHS programs and service codes listed below:

Program Name	Services	Related HCPCS Codes
MI Choice Waiver	Community Living Supports, Respite, Adult Day Health	H2015, H2016, S5150, S5151, S5100, S5101, S5102

Behavioral Health	Community Living Supports Overnight Health and Safety Supports Personal Care Prevocational Services Respite Skill Building ABA Adaptive Behavior Treatment ABA Group Adaptive Behavior Treatment ABA Exposure Adaptive Treatment Crisis Residential Services Residential Services -SUD Residential Services – Co-occurring SUD/MH Withdrawal Management – SUD Supported Employment	97153, 97154, 0373T, H0043, H0019, H0010, H0012, H0014, H0018, H2014, H2015, H2016, T2027, T1020, T2015, S5151, T1005, H2023

The wage increase applies for services provided October 1, 2022 forward and is intended to cover a \$2.35 per hour increase in direct care worker wages, along with an additional \$0.29 per hour for agencies to cover their additional costs associated with implementing this increase. The increase can be utilized to cover direct care worker's indirect/administrative time (necessary time for the worker to complete associated direct care paperwork) and overtime. **The \$2.35 per hour should be a base wage increase paid in addition to the worker's regular wage but cannot be less than the wage being received by, or the starting wage offered to, a qualifying direct care worker on March 1, 2020.** The \$2.35 per hour payment must be applied entirely to direct care worker wages. The \$2.35 and \$0.29 per hour amounts may be implemented by an equivalent as divided per billing unit. One example of "an equivalent as divided per billing unit" is, for programs billing in 15-minute increments, the payment would be \$0.5875 per 15-minute unit for the direct care worker, and \$0.0725 per 15-minute unit for the additional agency cost.

**Providers must retain and be able to submit documentation upon request that supports the distribution to direct care workers and that payments were made in accordance with the requirements in this letter.**

**A direct care worker may choose to not receive the wage increase. This choice must be indicated in writing or electronically. This individual's employer must give back to the entity paying for services, as described in the table above, any funds allocated for this individual's wage increase.**
