**RE:** Consultation Summary Project Number 2458-Injectables -  
Physician Administered Drugs Administered for Off-Label  
Indications

Thank you for your comment(s) to the Health Services Administration relative to Project Number 2458. Your comment(s) has been considered in the preparation of the final publication, a copy of which is attached for your information.

Responses to specific comments are addressed below.

**Comment:** Please provide a list of the drugs affected by this policy.

**Response:** The Michigan Department of Health and Human Services (MDHHS) will not publish a list of drugs impacted by this policy. Refer to MCL 400.109h for further information on protected drug classes.

**Comment:** Does this policy apply to ketamine?

**Response:** As a controlled substance, ketamine may be subject to prior authorization requirements in accordance with MCL400.109h.

Thank you for your inquiry. We trust that previous responses addressed the concerns and questions noted. If you wish to comment further, send your comments to Timothy McGinnis at [mcginnist1@michigan.gov](mailto:mcginnist1@michigan.gov).

Sincerely,

Meghan E. Groen, Chief Deputy Director  
Health Services
