Michigan Medicaid Policy (MMP) | Health Services

**Bulletin Number:** MMP 25-16

**Distribution:** Federally Qualified Health Centers (FQHC), Rural Health Clinics (RHC)

**Issued:** May 30, 2025

**Subject:** Timely Submission of Medicaid Cost Reports; Payment Suspension

**Effective:** July 1, 2025

**Programs Affected:** Medicaid, Healthy Michigan Plan, Plan First, MOMS

The purpose of this bulletin is to remind providers of Medicaid's timely submission requirements for FQHC and RHC Medicaid Cost Reports and update the process of suspending selected Medicaid payments when cost reports are not submitted by the required due date. The information in this bulletin is effective July 1, 2025.

Each clinic, unless specifically exempt, is required to submit a Medicaid Cost Report to the Facility Settlement sub-system in the Community Health Automated Medicaid Processing System (CHAMPS) on or before the last day of the fifth month following the close of its cost reporting period. If the Medicaid Cost Report is not submitted and accepted by the filing deadline, an extension request may be submitted through Facility Settlement. The Michigan Department of Health and Human Services (MDHHS) Hospital and Clinic Reimbursement Division (HCRD) grants extensions only when a clinic's operation is adversely affected due to circumstances beyond its control (e.g., staffing turnovers are considered within the control of the clinic, whereas fires and floods would be considered beyond its control).

If a clinic fails to submit a complete and acceptable Medicaid Cost Report via the MDHHS Facility Settlement system on time and has not been granted an extension of the time limit, a notice of delinquency is issued. If the Medicaid Cost Report is not submitted and accepted within 30 calendar days from the date of the notice of delinquency, the clinic's Fee-for-Service (FFS) payments and gross adjustment payments are suspended until the Medicaid Cost Report is received and accepted by MDHHS HCRD in the Facility Settlement system. Payments withheld due to late submission are paid upon acceptance of the Medicaid Cost Report. Managed care encounters are not subject to payment suspension.
