Bulletin Number: MMP 25-21

Distribution: Hospitals

Issued: July 1, 2025

Subject: Graduate Medical Education (GME) Innovations Agreement Increases

Effective: As Indicated

Programs Affected: Medicaid

NOTE: Implementation of this policy is contingent upon State Plan Amendment (SPA) approval from the Centers for Medicare & Medicaid Services (CMS).

GME Innovations Agreements support innovative GME programs that emphasize the importance of coordinated care, health promotions, and psychiatric care in integrated systems. The purpose of this training is to develop the skills and experience necessary to provide psychiatric services utilized by Michigan Medicaid patient groups. Upon SPA approval, the Michigan Department of Health and Human Services (MDHHS) will increase the agreement amount for Pine Rest Christian Mental Health Services to \$10,373,250 for fiscal year 2025 and future years. This change is effective January 1, 2025, and there will be no state general fund cost.

The GME MIDOCs program supports the expansion of residencies and subsequent retention efforts for approved high need specialties in underserved areas of the state, where current and future physician shortages undermine the health and well-being of Medicaid beneficiaries. Upon SPA approval, the MDHHS will extend its GME Innovations MIDOCs program. In state fiscal year (FY) 2025, the agreements with MIDOCs participating medical schools will amount to \$32 million. This change is effective April 1, 2025, and there will be \$11 million in state general fund cost.
