Dear Tribal Chair and Health Director:

RE: Submission of Amendment to the §1915(i) State Plan Amendment (SPA)

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit an amendment to the §1915(i) SPA request to the Centers for Medicare & Medicaid Services (CMS).

It is expected that these changes will increase access to these services and improve the quality of behavioral health services for Native American beneficiaries. The effective date of the amended SPA is on or after February 1, 2026.

The following changes will be made to the §1915(i) SPA:

1. Removal of Behavioral and Physical Health and Aging Services Administration (BPHASA) language
2. Update of Home and Community-Based Services (HCBS) language
3. Update to language regarding the process for making a Person-Centered Service Plan
4. Addition of HCBS training requirements for those responsible for service plan development
5. Addition of training language for HCBS rule requirements for Skill Building Assistance, Community Living Supports and Supported Employment provider qualifications.
6. Addition of Non-Family Training to the service array
7. Addition of Overnight Health and Safety Supports
8. Addition of performance measures

There is no public hearing scheduled for this SPA. Input regarding this SPA is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-512-4146, or via email at Elliott-EganL@michigan.gov. **Please provide all input by October 30, 2025.**

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss the SPA, according to the tribe's preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.
