Dear Skilled Nursing Facility (SNF), Nursing Facility (NF), and Durable Medical Equipment (DME) Providers:

**RE:** Notice of correction to the December 1, 2024, Nursing Facility Per Diem List

The Michigan Department of Health and Human Services (MDHHS) is issuing this letter to inform providers of corrections made to the Nursing Facility Per Diem List that was posted to the Medical Supplier database page with an effective date of December 1, 2024. For beneficiaries residing in a skilled nursing facility (SNF) or nursing facility (NF) most medical supplies and durable medical equipment are included in the facility's per diem rate and are not separately payable to a DME provider (refer to the Medical Supplier and Nursing Facility Chapters of the Medicaid Provider Manual) [MDHHS Medicaid Provider Manual](#).

The following Health Care Common Procedure Coding System (HCPCS) codes for bariatric beds were inadvertently added to the Nursing Facility Per Diem list and will be removed effective **March 1, 2025**:

HCPCS code	Description
E0301	Hospital Bed, Heavy Duty, Extra Wide, With Weight Capacity Greater Than 350 Pounds, But Less Than or Equal To 600 Pounds, With Any Type Side Rails, Without Mattress
E0302	Hospital Bed, Extra Heavy Duty, Extra Wide, With Weight Capacity Greater Than 600 Pounds, With Any Type Side Rails, Without Mattress
E0303	Hospital Bed, Heavy Duty, Extra Wide, With Weight Capacity Greater Than 350 Pounds, But Less Than or Equal To 600 Pounds, With Any Type Side Rails, With Mattress
E0304	Hospital Bed, Extra Heavy Duty, Extra Wide, With Weight Capacity Greater Than 600 Pounds, With Any Type Side Rails, With Mattress
