Dear Tribal Chair and Health Director:

**RE:** Third Party Liability in Medicaid: Clarification of Michigan Compiled Law (MCL) 500.283(3) of Public Act 593 of 2006

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment (SPA) request to the Centers for Medicare & Medicaid Services (CMS).

The purpose of this SPA request is to clarify necessary updates for compliance with Section 202 of the Consolidated Appropriations Act (CAA), 2022 amended section 1902(a)(25)(I) of the Social Security Act, which mandates that a state plan for medical assistance must be in place to prevent responsible third-party payers (other than Medicare plans) from refusing payment for an item or service solely on the basis that such item or service did not receive prior authorization under the third-party payer's rules. Furthermore, this clarification supports Michigan Compiled Law (MCL) 500.283(3) of Public Act 593 of 2006, in which "An entity shall not deny a claim submitted by the department [MDHHS] solely on the basis of the... a failure to present proper documentation at the time the health care item or service that is basis of the claim was provided..." As enforced by MDHHS, 'proper documentation' includes compliance with Section 202 of the CAA, 2022 amended section 1902(a)(25)(I) of the Social Security Act.

MDHHS expects this SPA regarding third-party payers, will have no impact on the Native American beneficiaries, tribal health clinics, or urban Indian organizations. The anticipated effective date of this SPA is January 1, 2025.

There is no public hearing scheduled for this SPA. Input regarding this SPA is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-512-4146, or via email at [Elliott-EganL@michigan.gov](mailto:Elliott-EganL@michigan.gov). **Please provide all input by March 30, 2025.**

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss the SPA, according to the tribe's preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.
